

## **You have the right to receive a “Good Faith Estimate” explaining how much your healthcare will cost.**

Under the law, healthcare providers need to give **patients who don’t have insurance or who are not using insurance** an estimate of the bill for healthcare services.

You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency services.

- If you are interested in a Good Faith Estimate, please reach out to the Health Center before your healthcare service. You can also ask your healthcare provider, and any other provider you choose, for a Good Faith Estimate before you schedule a service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, please reach out to the Health Center at 315-782-9450.
